Notes

1) Preliminary examinations for exam-only courses may fall within the registration periods.
2) Midterm tests and midterm resits organized by Student Services Office may also fall within the examination period.
3) During intensive weeks, optional academic activities or make-up classes due to public holidays may be scheduled, which do not fit into the regular timetable.
4) An early final exam may be organized on January 7, 2026 for students applying to mid-year master's programs. Students wishing to take part must fulfil all requirements for obtaining the completion certificate by December 30, 2025. Other early final exams may be scheduled during the study period. The deadline for obtaining the completion certificate required for participating in the final exam is included in the final exam information guide.
5) The University will be closed from December 31, 2025 to January 4, 2026.
